International Congress of Young Booksellers

2nd - 4th May 2012 Gartenhotel 2 Altmannsdorf, Vienna, Austria

ICYB stands for **International Congress of Young Booksellers**.
The most inspiring congress for booksellers – especially young ones – for already 53 years!
The annual conference is held in a different country every year, and it gathers enthusiastic and dedicated young booksellers from many countries (young at age or just young at heart).

While the purpose of the Congress is to provide training in a specific issue, it also acts as a forum for young booksellers from a variety of backgrounds to share experiences of their trade and establish invaluable international contacts for both professional and personal development. Another function of the ICYB is to collect and disseminate material on training, exchange programs, and trade organizations.

Estimated participation costs including accommodation from € 430.- (double room) to € 530.- (single room)
